Essar Energy Transition Hydrogen-Ready Combined Heat and Power Project > Phase 2

Essar Energy Transition is consulting on its proposals for a Hydrogen-Ready Combined Heat and Power (CHP) Project (the 'Proposed Development').

All information you provide as part of this consultation will be treated in confidence and processed in accordance with applicable data protection legislation, including the UK General Data Protection Regulation (UK GDPR) and the Data Protection Act 2018.

The types of personal data we collect includes:

- Name
- Address
- Contact details
- Your consultation response

Essar Oil (UK) Limited (EET Fuels) is the **Data Controller** for any personal data collected as part of this consultation.

WSP UK Limited acts as a **Data Processor** on behalf of EET Fuels.

Personal information will be used solely for the purposes of administering and supporting the consultation and associated project activities including:

- administering the consultation;
- recording, analysing and reporting consultation responses;
- responding to questions and correspondence;
- keeping an appropriate record of stakeholder engagement;
- supporting planning, consenting and project-development activities; and
- complying with legal or regulatory requirements.

EET Fuels and/or WSP may engage carefully selected additional **sub-processors** to provide services necessary for the consultation programme, such as online survey platforms, hosting services, technical support providers and/or professional advice. Any sub-processors engaged will be subject to contractual obligations requiring them to process personal data securely, confidentially, and in compliance with applicable data protection laws.

Personal information may be shared with regulatory authorities in accordance with laws applicable to the consultation and planning process.

Personal information may be collected through:

- Consultation responses and feedback form
- Email correspondence
- Telephone enquiries (we may record information relating to enquiries received by telephone; however, formal consultation responses will not be accepted through this method)

The information will be collected and used solely for EET Fuels' legitimate **business purposes** connected with the planning, delivery, reporting, analysis, and stakeholder engagement activities associated with the project, DCO and consultation relating to them.

Consultation responses will be aggregated, shared and reported in an anonymised format wherever possible and will not identify individual respondents unless required by law or with the individual's consent.

Access to personal identifiable information will be limited to EET Fuels' authorised personnel, WSP, and any approved sub-processors who require access to perform their duties in connection with the consultation and project.

No international transfers of personal data are anticipated. Personal information will be processed and stored within the United Kingdom and/or other jurisdictions that provide an equivalent level of data protection or other safeguards, recognised by applicable data protection legislation.

Personal information will be retained only for as long as necessary to conclude the public consultation process, any appeals periods or any legal claims arising from the project consultation process. Once no longer required, personal information will be securely deleted or anonymised.

Under data protection legislation, you have the right to:

- Access the personal information held about you
- Request correction of inaccurate or incomplete personal information
- Request deletion of your personal information where applicable
- Object to or restrict the processing of your personal information in certain circumstances
- Request a copy of the personal information you have provided in a structured, commonly used, and machine-readable format

If you choose to provide contact details, these will only be used for the purposes for which they were collected, such as responding to your enquiry, administering consultation activities, or providing project updates where you have requested them.

We do not use consultation information to make decisions about individuals solely by automated means, including profiling.

For any questions regarding the processing of your personal information or to exercise your data protection rights, please contact the EET Fuels Data Protection Officer on DPO@eetfuels.com or write to The Administration Building, 5th Floor, Stanlow Manufacturing Complex, Oil Sites Road, Ellesmere Port, Cheshire, CH65 4HB

Our privacy policy can be found on <https://www.eetfuels.com/privacy-policy/>

You also have the right to make a complaint to the Information Commissioner's Office (ICO) if you believe your personal information has been processed unlawfully. The ICO can be contacted at Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF, by telephone on 0303 123 1113, or through its website at www.ico.org.uk.
